## PRODUCTS FROM RUSSIA

With reference to the restrictive measures imposed by the European Union

KILTON S.r.l.

declares that:

- All products supplied do not origin in Russia
- The items supplied are manufactured without the use of steel products that have origin in Russia
- It undertakes to immediately inform the customer if this declaration is not longer valid

Kilton also states that is aware that the gas distributed in our territory it could come from Russia by triangulation, and therefore could be used for its own production.
