DECLARATION OF COMPLIANCE WITH PFAS REQUIREMENTS

The undersigned company hereby declares that, following internal assessments and based on the information and declarations received from its suppliers, the supplied products are compliant with the applicable requirements concerning per- and polyfluoroalkyl substances (PFAS), in accordance with **Regulation (EC) No 1907/2006 (REACH)** and its subsequent amendments.

In particular, compliance is assessed with reference to:

- **Regulation (EC) No 1907/2006 (REACH)**, including Annex XVII (Restrictions) and Annex XIV (Authorisation);
- **Commission Regulation (EU) 2023/1608** on restrictions concerning perfluorohexanoic acid (PFHxA), its salts and related substances;
- other applicable European Union legislation on PFAS in force at the date of this declaration.

The company further confirms its commitment to maintaining continuous and systematic cooperation with its suppliers in order to monitor regulatory developments related to PFAS and to ensure ongoing compliance of the supplied products.

This declaration is issued based on the information currently available and on supplier declarations and may be updated in the event of regulatory changes or variations in supply conditions.
